Yes. Spoke to Greg and he said he would defer to us; I indicated that we need to, so the right group can be engaged. Still close hold.

Russ/Tim-- Also, Greg requested a de-brief of last week's meeting this week. Please coordinate

Ex. 5 - Deliberative

Thanks again,

John

DRAFT, DELIBERATIVE

Russ/John:

Any word on whether we can share the close-hold redlined version of OSM's revised rule text with other EPA offices? I would like to share with OST (Shari and Manjali), OWM (Brian and Scott), and OGC (Alexis).

Good Afternoon Greg,

As per your conversation with Harry Payne, I am sending you two documents concerning Stream

Protection rule. One document summarizes the selected changes from the proposed rule to the draft final rule and the other document is the latest version of the draft final Stream Protection rule with the proposed changes. If you have any questions, please contact me and/or Harry Payne. Thanks.
